Book Details:

Review: The author argues that literary theory has done a poor job capturing how we actually experience and use literary works and seeks the remedy that fault. To that end, she focuses on four paradigmatic experiences we get out of literature: self-recognition, enchantment by surfaces, knowledge about social life, and shock of the alien. Rather than work...

Description: Uses of Literature bridges the gap between literary theory and common-sense beliefs about why we read literature. Explores the diverse motives and mysteries of why we read. Offers four different ways of thinking about why we read literature - for recognition, enchantment, knowledge, and shock. Argues for a new "phenomenology" in literary studies that incorporates...
